Become part of a community of refugee farmers who now call Rhode Island home.

Improve your health and well-being with our flavorful, locally-grown, chemical-free herbal teas and culinary herbs, including familiar favorites and farmer-inspired custom blends.

Buying local supports sustainable agriculture in Rhode Island.

Sample CSA herbs:

- Spearmint • Nettle • Lemon Verbena
- Peppermint • Chamomile • Lemon Balm

Special blends include:

- Holy Basil • Medlar • Lemon Grass
- Lavender • Cilantro

Culinary herbs include:

- Basil • Thyme • Rosemary
- Chives • Oregano

Sanctuary Herb farmers grow at Cranston's Urban Edge Farm, Chepachet's Hocus Pocus Farm, and in community gardens throughout Providence.

We plan our growing season to minimize risk and maximize bounty. We tend our plants and soil with great care, and include in each CSA share a wide variety of freshly picked, carefully processed, nutritious and delicious herbs. As a shareholder of the Sanctuary Herbs Community Supported Agriculture program, you agree to assume the risks and rewards of the growing season with the farmers, and to pick up your share on time every week (or designate someone else to do so.)
